BUFFALO WILD WINGS SIGNS FIVE-YEAR AGREEMENT WITH HOSPITALITY SOLUTIONS INTERNATIONAL

Scottsdale, AZ—August 14, 2007—Hospitality Solutions International (HSI), a division of MICROS Systems, Inc. (NASDAQ:MCRS), a leading provider of information technology solutions for the hospitality industry, today announced Buffalo Wild Wings Grill & Bar, one of the Top 10 Fastest-Growing Restaurant Chains in the country, has signed a five-year Buying Agreement for Profit Series Point-of-Sale.

Under the terms of the Agreement, HSI will provide Profit Series POS software and Enterprise Menu Manager (EMM), centralized menu management, to at least 175 company-owned Buffalo Wild Wings Grill & Bar locations over a five-year period. Franchise locations also have the option to leverage the negotiated pricing.

Buffalo Wild Wings Grill & Bar is more than a New York style wing-joint with 14 signature sauces. It is also a sports bar with a full menu, trivia games, and projection screen televisions. There are currently 449 restaurants in 38 states with numerous company-owned and franchise locations expected to open over the next several years.

“HSI has been a valued business partner for many years. Although we evaluated a number of other systems, we chose HSI for the outstanding level of service and support they continue to provide to us,” stated Jason Mauric, Director of Store Systems, Buffalo Wild Wings Grill & Bar. “With HSI, issues are addressed quickly and resolved in a timely fashion. This level of service is extremely important to us.”

“We are pleased Buffalo Wild Wings Grill & Bar continues to place its trust in HSI,” stated Cyndi Shepley, General Manager and Vice President, HSI. “We have worked hard to provide our customers a solid point-of-sale product and the highest level of service and support. Our strengthened and expanded partnership with Buffalo Wild Wings is testament to our success.”

The HSI Profit Series Point-of-Sale system is an easy-to-use, scalable, windows-based solution designed to fit into nearly any hospitality environment. The simplicity of design is backed by extraordinary functionality and intuitive graphics.

The HSI Profit Series POS links front-of-house and back-office applications in a real-time format, which allows system changes to be made instantly, even as the system is operating.

About Buffalo Wild Wings Grill & Bar
